About Me

An enthusiastic fresher with highly motivated and leadership skills having bachelors of engineering degree in Computer Science Engineering. Seeking a challenging position in a reputable organization to expand and utilize my learning, skills and knowledge. Flexible to work in any environment as required. I work efficiently both as an individual contributor as well as along with a team. Eager to learn new technologies and methodologies. Always willing to innovate the new things which can improve the existing technology.

Achievements

- Participated in Nithra Apps private limited for internship trainee.
